

LAUREL SPRINGS SCHOOL

SCHOOL PROFILE

LAUREL SPRINGS SCHOOL is an accredited, online private school for students in kindergarten through twelfth grade, including a Postgraduate Program. Our students are fully supported by qualified, caring teachers and staff, and are connected to a global community of learners. Celebrating more than 30 years, Laurel Springs is the school of choice for the college prep student who wishes to grow and excel academically and personally while maintaining a flexible schedule.

Since 1991, Laurel Springs School has successfully graduated more than 4,500 students and continues to expand its global reach, working with families in more than 100 countries. The school actualizes its mission of honoring each student's unique style of learning by providing a personalized, mastery-based approach to education that nurtures students' academic and personal goals. High college acceptance rates and successful career choices by its students attest to Laurel Springs' ongoing commitment to prepare students for college and for life.

OUR MISSION at Laurel Springs School is to engage global learners in an education that values them as individuals, integrate their passions and pursuits into academic and career pathways, and foster inquiry, growth, mastery, purpose, and independence.

THE ACADEMY at Laurel Springs is a rigorous academic program for scholars who are intellectually curious and driven. Students in grades 6-12 are selected to participate. As a part of Academy programming, students have the opportunity to select advanced courses and engage with like-minded peers in interactive academic and social settings.

THE POSTGRADUATE PROGRAM is available to students following graduation and prior to matriculating. Designed to provide tailored semester and full year academic opportunities and support educational goals, this unique, customizable program helps graduates distinguish themselves academically through cultivating and discovering their passions and acquiring comprehensive tools to better prepare for the transition to postsecondary education.

LAUREL SPRINGS CURRICULUM provides challenging academic courses and diverse elective options, including experiential learning opportunities. Each semester-long College Prep, Honors, and AP course earns a half credit and consists of 20 weeks of work with a minimum of five hours of study per week. 292 of our courses are University of California (UC) a-g approved and 168 of our courses are recognized by the National Collegiate Athletic Association (NCAA) as meeting its eligibility requirements. Eligible students in grades 11-12, The Academy Upper School, and the Postgraduate Program may also enroll in college-level courses offered through Laurel Springs' **Dual Enrollment** program with select university partners.

ADVANCED COURSES

ADVANCED COURSES are intended for college-bound students seeking a challenging academic curriculum. Using advanced curricula, teacher support, and hands-on learning opportunities, each student fulfills college entrance requirements while pursuing personal interests and individual goals. Honors, AP, and Dual Enrollment courses emphasize vocabulary development, critical thinking, problem-solving, expository writing, and research.
